GEN ED Electives from the Exploration area	3
Remaining Electives	9
Credits taken at SNHU	60
Total Credits in SNHU Bachelor's Degree	120

SNHU accepts up to 90 credits towards a bachelor's degree. Should a student decide to take additional courses at the community college beyond the associate's degree to maximize transfer credits, the above courses are provided as a mapping tool. A 90-credit transfer would leave students with a minimum of 30 credits remaining to complete at SNHU for their BS Health Sciences.

Total Allowable Transferred Credits	90	Credits left to complete Bachelor's Degree	30
-------------------------------------	----	--	----

Emergency Management & Planning AAS Degree Sample Schedule

The degree can be completed in four semesters.

Only 30 credits of EMP courses are required. There are 11 EMP courses available, and students need 10 of those 11. This degree plan includes all 11 courses, so students have the option of eliminating one of those courses.

Courses Credits
